

Introducing the IFA Department Stimulus Plan!!

If you can get at least 25% of your fire department to sign up for and be approved for the new IFA credit card your department can receive a dues rebate check equal to \$10 per credit card holding member. For example if you have 20 members on your roster and at least 5 of them have an IFA credit card you can apply for the rebate. If 5 members have the card you would receive \$50 back; if 10 members have the card you would receive \$100 back!! All you have to do is make a copy of your department roster and mark which members have the IFA credit card. Send the list to the IFA office either by mailing to PO Box 67, Humboldt, IA 50548 or e-mailing to w.lensing@mchsi.com and I will verify this with the credit card company and issue your department a rebate check. Our members receive lots of benefits from the IFA credit card including: No Annual Fee, No Balance Transfer Fee, Low Interest Rate, 24/7 Customer Service and a Great Rewards Program! Signing up for and using the IFA credit card supports the Iowa Firemen's Association. Get your department members signed up today. This offer is also good for our individual members that pay on their own. If you are an individual member that has our IFA credit card let me know and you can receive a \$10 rebate of your 2009 dues. Applying for the card is easy –

- *Go to the IFA website – www.iafireassn.org

- *You can find a link to the credit card in the center of the page or under “Membership” on the left-hand side menu.

- *When you get to the credit card page, click on the red “Apply Now” button and begin the application process. It only takes a couple of minutes.

- *Or you can call 515-332-1503 and request a paper application.
